

Japan's Friendship Ties programs

MIRAI 2021/2022

Outline

Implementing agency of MIRAI 2021/2022

JTB Corp.

(hereafter, abbreviated as JTB)

Perfect moments, always

1. Program Overview

In 2015, the Ministry of Foreign Affairs of Japan has launched “Japan’s Friendship Ties Programs”, which promote people-to-people exchanges between Japan and the various nations of the Asia-Pacific, North America, Europe, Caucasus, Central Asia, Latin America, and the Caribbean, to encourage an understanding of Japan’s economy, society, history, diverse culture, politics, and diplomatic relations among participants. Participants are expected to proactively disseminate information on Japan’s attractions and contribute to promoting sustained attention to Japan. The Europe regional component of this exchange program is called “MIRAI” (Mutual-understanding, Intellectual Relations and Academic Exchange Initiative) .

“MIRAI 2021/2022” is a short-term youth exchange program to invite 121 graduate/undergraduate students and young professionals from Europe, Central Asia, and the Caucasus, who study Politics, Law, Security Policies, Economics, International Relations, Asian Studies, Japan Studies, Science and Technology or other related fields. The title of the program “MIRAI” (未来) (pronounced “me-rye”) means “future” in Japanese.

{Objectives}

Ministry of Foreign Affairs (MOFA) aims to outline the program would offer a great opportunity

- (1) To promote mutual understandings
- (2) To enhance intellectual discussions
- (3) To build strong networks among future leaders of Japan and the world.

Also, MOFA would strongly encourage all participants to disseminate information about Japan’s attractions learned throughout the program through SNS (Social Network Services) (e.g., Facebook, Twitter, Instagram, YouTube).

2. Program Outline

i . Themes and number of the participants:

6 groups under below mentioned theme would be formulated from 121 participants (university / graduate school students and young professionals) over the age of 20.

《Theme》	《Number of Participants》
【Group 1】 Peace-building	12
【Group 2】 Politics and Security	26
【Group 3】 Economy, Business and Green	26
【Group 4】 Science, Technology and Innovation	26
【Group 5】 Culture and Art	5
【Group 6】 Rule of Law	26

ii . Online Pre-exchange program (a couple of days in January - February)

All participants are required to attend an online pre-exchange program in their countries before they depart for Japan. The online pre-exchange program may cover the followings.

- Orientation including guidance on how to share their learning and finding about Japan by utilizing social media such as Facebook, Twitter, Instagram, etc.,
- Lecture on the theme-related contents,
- Virtual exchange and discussion with Japanese students / experts

iii . Visiting Japan program (6-day travel visit to Japan)

- To attend lectures on Japanese politics, society, history, and diplomatic relations to gain a deeper understanding of Japan.
- To visit education and research institutions, high-tech and traditional industries, fine arts and traditional crafts exhibitions, cultural heritage sites. Participants will interact and exchange ideas with people in these various sites through workshops and other events.
- Workshop and reporting session.
- To disseminate information about Japan's attractions through the implementation of Action Plan(※) .
(※) Action Plan is to convey the Japan's appeals that participants take after returning to their respective countries.

NOTICE:

The visiting Japan programs may not be implemented due to the situation of the novel coronavirus diseases (COVID-19) or unforeseen events.

[Mandatory Assignments]

All participants must implement all the requirements from (1) to (3).

(1) Presentation and implementation of your action plan

At the reporting session, all participants will present their action plans after they return home based on what they learned in this program and how they might stay connected to Japan. The action plan will be presented by groups at the reporting session, and the contents will be collected from consultation with all participants during the workshop. After presentation of the action plan, each member will implement the plan within 3 months. If it is difficult to implement the action plan in 3 months. (e.g., Writing graduate/research thesis including this program experience, work/study in Japan, and in other comparatively medium- or long-term situations), please report the reason and expected implementation schedule to JTB of the MIRAI Program within 3 months.

(2) Sharing your experience

All participants will actively share his/her experiences during both the pre-exchange program and visiting Japan program as well as convey information about Japan including one regarding Japanese society, history, culture, politics, economics, and diplomatic relations through social media such as Facebook, Twitter, Instagram, YouTube, and so on, both during the program and within 3 months after the program.

(3) Responding to questionnaires

All participants will submit answers to questionnaires (after the pre-exchange program, during and after 3 months of the visiting Japan program, and alumni Association event) to JTB on time.

iv. Conditions for the stay in Japan

- All the participants must attend all the programs planned by JTB and follow the rules/guidelines set by JTB.
- Participants that cause hindrance to the program may be dismissed, and will subsequently be responsible for leaving Japan at their own expense.
- The implementing agency will try to prepare the following when necessary for religious reasons, however, JTB cannot guarantee their availability in all locations.
 - *time and place for prayers
 - *meals suitable for food restriction for religious reasons

v. Photos and videos taken during the Program

While participating in the program, photos and videos, participants' comments, etc. may be recorded by the JTB or other participating organizations.

In addition, all participants must agree that these photos and comments and content posted to SNS by participants may be used in various media for the purpose of introducing MIRAI program or in business reports.

vi. Respect for Japanese Law and Regulations

During the stay in Japan, participants must respect the laws and regulations of Japan, and any offenders will be subject to penalties under Japanese law. Any dispute arising out of the application and admission of, or relating to, this program between the participants and the Japanese Government or JTB shall be governed by and construed in accordance with the domestic laws of Japan, without regard to principles of conflicts of laws, and shall be subject to the exclusive jurisdiction of the applicable courts in Japan.

vii. The attribution of responsibility during the program

All participants agree to release JTB (including its employees and agents) of and from any and all claims, demands, damages, losses, liabilities, and expenses including, without limitation, reasonable attorneys' fees, and expenses (collectively, "Claims") arising from or relating to a participant's participation in MIRAI Program; provided, however, that this release shall not apply to any Claims related to or arising from JTB's gross negligence, bad faith or willful misconduct. Finally, all participants agree to indemnify JTB (including its employees and agents), and hold it harmless, of and from any and all Claims arising from or relating to their breach of the terms and conditions of this Application Guideline.

viii. Important Notice for the Prevention of the Novel Coronavirus

In response to the spread of the novel coronavirus disease (COVID-19), JTB has been taking the following effective measures to prevent infection and protect the health and safety of participants and JTB staff members.

- (1) Please wear face masks and cover your mouth and nose with a tissue or a sleeve of your clothing if you have to cough or sneeze
- (2) If you have symptoms of fever (about 37.0°C), fatigue or cold during the program, please avoid going out and consult with JTB staff immediately
- (3) Please avoid the "Three Cs"
 - 1) Closed spaces with poor ventilation
 - 2) Crowded places with many people nearby
 - 3) Close-contact settings such as close-range conversations
- (4) Please keep physical distance
- (5) Please wash your hands frequently with hand sanitizer and gargle
- (6) Please drink a bottle of water (500 ml per day) provided by JTB
- (7) Please check your health condition and measure body temperature before breakfast, in the daytime and evening
- (8) Please eat well and sleep well

6. Handling of Personal Information

Personal information collected under MIRAI Program shall be treated in compliance with the Personal Information Protection Law of Japan and GDPR (General Data Protection Regulation). JTB ensures the appropriate handling of personal information.

JTB may provide personal information to travel agencies, publishers, cooperating organizations, schools, host families, and so on in order to operate and report the program by means of post, fax or E-mail. The disclosure of personal information to JTB is at the sole discretion of the participants. If you do not agree with this, it might cause some difficulties in the operation of the program, therefore you are requested to understand and consent to the provision of personal information.

*JTB Corp. (JTB)

JTB Corp., called JTB, is an implementing agency of MIRAI Programs, and has undertaken all the necessary arrangements for this program, such as travel procedures and the entire schedule of events in Japan.

*The JTB Group

- Established: November 12, 1963 (Founded: March 12, 1912)
- Number of employees: 23,785 (JTB Group employees as of March 31, 2021)

The JTB Group was founded as the “Japan Tourist Bureau” in 1912, with the objective of contributing to Japan’s economy by welcoming overseas travelers to Japan. For over 100 years since then, the JTB Group has been the driving force behind Japan’s tourism industry.

The JTB Group is building an expansive network that currently covers 143 cities and 510 offices across 39 countries/regions. In keeping with the JTB Group philosophy of “Contributing to the realization of a peaceful and enriched society by creating opportunities for human exchange and interaction across the world stage”, around 29,000 JTB Group employees worldwide work in close coordination to offer high value services.
